

◆ **THE ISO 9001:2015 QUALITY SYSTEM**

Indfrag Biosciences Private Limited has been certified to ISO 9001 : 2015 HACCP Quality management System. What it means is that we have established and applied a quality management system in our factory to design, develop, manufacture and supply Natural Extracts. Our Quality Management system is periodically audited by external auditors

◆ **QUICKER RESPONSE**

Our production planning system is specially geared to meet sudden and unexpected demands. Quicker response times are achieved by keeping stocks or semi-finished goods at our factory.

◆ **BOTANICAL EXTRACTS FOR BEAUTY**

In the 1990's, more people turned to nature for Cosmetics. Since we already know-how to produce fine natural extracts at Indfrag Biosciences, we diversified into the manufacture of botanical extracts for cosmetics. Today we have wide range of capabilities and products. We make top grade, high volume extracts like Centella and low volume exotics that require Specific capabilities, such as Matcha Green Tea, Cafestol etc.
